

THE PLAYER'S VAULT

COMPONENTS

The *Player's Vault* provides a variety of additional cards and components to expand and enhance your *Warhammer Fantasy Roleplay* experience and make it easy to manage your characters. Included in this supplement are the following:

- + 24 basic action cards
- + 34 blessing action cards
- + 18 melee action cards
- + 17 ranged action cards
- + 34 spell action cards
- + 25 support action cards
- + 45 talent cards
- + 30 career sheets
- + 30 career ability cards
- + 5 party sheets
- + 1 pad of character sheets
- + 36 character standups
- + 3 three-point stress/fatigue tokens
- + 10 one-point stress/fatigue tokens
- + 2 stance rings
- + 2 activation tokens
- + 24 tracking tokens
- + 2 centre puzzle fit stance pieces
- + 8 puzzle fit stance pieces
- + This component sheet

The punchboard components should be carefully removed from the frames. The different pieces can be added to your existing supply of tokens and pieces from *Warhammer Fantasy Roleplay*, or stored in this box between sessions. Materials from this product are identified with the following set icon for easy identification.

GAME COMPONENTS

Whether played out in story mode or encounter mode, players will often use a variety of components to resolve a scene. *Warhammer Fantasy Roleplay* features small- and large-sized cards, punchboard tokens, and custom dice to perform actions, track information, and serve other game functions.

CARDS

The cards used in *Warhammer Fantasy Roleplay* perform a variety of functions. Some of the cards form decks that are drawn from during play, while others provide an easy way to manage actions and track information.

SHEETS

Larger, sturdy sheets are used to present information on the characters and people that populate *Warhammer Fantasy Roleplay*.

PUNCHBOARD COMPONENTS

The punchboard pieces allow players and GMs to easily track important information in a consistent, visually distinct manner. Before play, carefully remove the components from the framework. Please note that the centre piece inside the stance ring component is an activation token, and should not be discarded.

CUSTOM DICE

Warhammer Fantasy Roleplay uses special custom dice to allow characters to perform a wide variety of actions and to account for changing tactics, situations, and effects. Rather than numbers, these dice feature special symbols.

There are seven different types of custom dice used in *Warhammer Fantasy Roleplay*. Each die has a specific colour and function. The dice are rolled in groups—called dice pools—to perform actions. The dice can be purchased as part of the *Warhammer Fantasy Roleplay* Core Set, the *Game Master's Vault*, or in dice packs, sold separately.

PLAYER'S GUIDE

The *Player's Guide* is the perfect companion to the *Player's Vault*. The *Player's Guide* contains the essential rules and information needed to start playing *Warhammer Fantasy Roleplay*—including streamlined rules for gameplay, character creation, exciting combats and engaging encounters.

The *Player's Guide* showcases *Warhammer Fantasy Roleplay's* innovative career system, and makes it easy to reference hundreds of exciting actions, spells, blessings, and special abilities from the original *Warhammer Fantasy Roleplay* Core Set, as well as numerous expansions—now all in one handy resource.

The updated rules and guidelines found in the *Player's Guide* allow players to enjoy *Warhammer Fantasy Roleplay* using the components available in the Core Set or *Player's Vault*, or using a more traditional approach with just the books and dice.

Whether you're new to *Warhammer Fantasy Roleplay* or a veteran gamer, the *Player's Guide* is a valuable reference you'll want to bring along on your adventures in the Old World!
